

## **Energy Awareness One Day**

***Only for advanced students.***

Join Liz for an amazing day of advanced learning. Energy work, psychic awareness and paranormal activity have become more prominent in recent years.

Find out why this is happening - at this time?

Learn to develop your 'Higher' psychic skills through the transformational methods that Liz uses to channel your energy to where it needs to go.

Take advantage of the Pathways that will be re-opened during this workshop as you search out Your Truth.
