Hello,

The new look cafe, which is now also the book store, has produced some very encouraging comments and we invite you to check out the 'new look'.

This month we are focusing on Meditation & Feng Shui

The Meditation Courses will be used to help you clear the mind of 'clutter' and the **Feng Shui** workshop to help you live in a more harmonious environment. We are also introducing a **Psychic Coffee and Cake** session. We can only accommodate ten people per session, so call the centre if you would like to know more.

The Kumara [retreat](#) experiences continue with our **Ego Transformation Retreat**, which takes place **in November**. The Psychic Development Retreat was a huge success and enjoyed by all participants.

Check out the website for more information.

Our weekly meditation groups continue to offer a variety of different meditations throughout the week, beginner to advanced. It is really great being able to offer so many meditation groups at the centre and to help past and present students keep up their meditation practice. The [timetables](#) for these sessions are detailed on the web site.

We are continuing with our '**Course Graduate Fun Afternoon**' for all course graduates. This fun session starts with a **FREE meditation** and then **FREE Tarot, Rune and Spiritual Psychic readings**, by our many readers. These take place during selected Saturdays during the [term](#).

The Kumara Centre is a great meeting place for friends and family.
We look forward to seeing you soon.
